### INVITATION

Montreuil, February 3<sup>rd</sup>, 2025

Dear Colleagues,

It was decided in the 96<sup>th</sup> Executive Council celebrated in Beijing and Huzhou that a face-to-face Executive Council meeting would be held in June 2025 in Paris (France). The WFSW has the pleasure to invite you to participate in the meeting of the **98<sup>th</sup> Executive Council according to the accompanying program.**

In order to facilitate the organization of the meeting, we ask you to **inform us of your intention to attend or not** by filling in the attached form, even if you do not yet have the flights or the hotel reservation.

As we have done for several years, our debates will be open to the interested colleagues, taking into account our activity as forum. The symposium, the sessions 1, 2 and 3, and the meetings of the working groups are particularly interesting in this sense. A simultaneous English-French translation will be offered during the symposium and the EC sessions.

We look forward to meeting you, dear colleagues, and send you our cordial greetings.
